III. Hello, Mark.

This summer I'm visiting
Lubbock, Texas. About
almost one month I
was able to see life
of the local people,
visit historical museum,
where I saw a lot of
artifacts of old life

of people who fight with
local population of
indians, call Apachi,
around 100 years.

I see a lot of engineering
devices for oil extraction,
old train and different
transport vehicles.

It was absolutely
amazing experience.

I think you need to
try visit that city
too.

See you.

My favourite film is named
"Body", it is a thriller. This film is
about family (consist of mother, father and
daughter), who had a car crash where
father died in this accident. Man who
used this, ~~was expected~~ escaped, because he

☒ користуюсь; ☐ не користуюсь

was drunk. Moreover, 15 years later
father found this man and
started to revenge him. His daughter
helped him, she did it because
her mother.

In the end, father killed that
in a very interesting way.

Conclusion, in my opinion it ~~is~~
us how people can revenge and
remember everything, despite age
and years.
